

Short Story Competition

During lockdown 2.0, we're running a short story competition for our riders. There will be two age group categories:

- Category 1 = Ages 5-9
- Category 2 = Ages 10+

Your story must have a cycling theme and have no more than 1000 words.

Send your entries to team@clancybriggs.co.uk by 27 November 2020 and make sure to tell us your age category.

Our coaches will choose the story from each category that they enjoy the most.

The winning story from each category will be read aloud on video by Ed Clancy OBE and published on our social media pages. The deserving winners will also get a Clancy Briggs Bobble Hat each.

To get started with your writing, we have a few opening sentences you might like to try...

It was dark and cold outside and I could hear my brakes squeak
as I pulled up to the old house...

Ed & Graham loved cycling and today they were heading towards
the castle on the horizon...

I grabbed my phone and my helmet and jumped on my bike.
Today was going to be epic...
